

INDEX OF SOURCES OF FINAL ORDER

Joint Applicants submit this index in order to assist the Commission in the necessary task of merging the Hearing Examiners' Proposed Order on Re-Opening, dated August 10, 1999 ("HEPOR") and Hearing Examiners' Post Exceptions Proposed Order, dated April 26, 1999 ("PEPO").

Joint Applicants' reference to the HEPOR or PEPO as issued is not a waiver of their position that each Proposed Order should be amended as stated in the Joint Applicants' respective exceptions to those documents. Indeed, Joint Applicants urge the Commission to adopt the HEPOR as amended by Joint Applicants' Brief on Exceptions and Proposed Language on Exceptions.
